

RT4000W - RT4000WX

A classic design. Similar in shape to the RT1000, but wider overall and with flared thigh support, this racing seat suits a larger build. Featuring suede wear protection in both the shoulder and thigh areas and a racing-heritage inspired quilted centre panel. Your choice of black, blue or red fireproof fabric.

FEATURES

- Fibreglass shell construction with a black glossy gel-coat. Special colours available on request
- Grey suede wear patches
- Relaxed thigh support for easy access
- FIA homologated to 8855-1999 standards
- Suitable for road or competition use
- Side mounted with RTB1005M or RTB1003S brackets (sold separately)

SIZES AVAILABLE
