

RT4009HR front

RT4009HR rear

RTB1009M brackets

RT4009HR - RT9009HR

With an integral head restraint, the 4009HR is essential for many forms of rally and racing. This range of seats is suitable for competition where 270 degrees of head support is required.

FEATURES

- Same basic design as the 4009, but with integrated head restraint.
- Fibreglass shell construction with a glossy black gel-coat. Other colours available on request.
- Adjustable, removable cushions allow maximum customisation
- FIA homologated to 8855-1999 standards (does not include RT4009THR or RT4009WTHR)
- Side mounted with RTB1009M brackets (sold separately)

CONSTRUCTION AND SIZES AVAILABLE

- RT4009HR - standard
- RT4009THR - tall
- RT4009WHR - wide
- RT4009WTHR - wide and tall
- RT9009HR - standard width, laminated with Kevlar and carbon fibre layers
