

RT1000LBHG front

RTCobra front

RT4000WLB front

RT1000LB - RT4000LB - COBRA

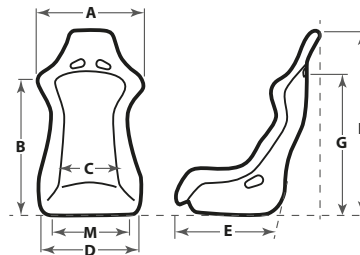

Racetech offer the popular Low-Back series as a solution for boats and custom-shop fabricators. Using the established 1000 and 4000 series seats, we remove the shoulder support making this series ideal for fitting into low cabins or as an alternative for classic cars where FIA homologation is not required.

FEATURES

- Fibreglass shell construction with black glossy gel-coat. Custom colours available
- Foam padding to back and thighs
- Suede wear patches to thigh area
- Reduced height for lower cabins
- Extremely lightweight

SIZES AVAILABLE

RT1000LBHG – Standard size, based on the RT1000
 RT4000WLB – Wider, based on the RT4000W
 RT4000WXLB – Extra wide, based on the RT4000WX
 Cobra – Low-back designed to fit Cobra kit cars
